

2017 YOUTH FOOTBALL CAMP AGES 5-14
June 12-June 16 Monday- Friday
Poway High School Football Stadium
8:30am-11:00am

Camp Objective

This camp is designed to emphasize improvement of fundamentals and techniques related to each camper's position and skill level. Campers will be coached in offensive, defensive, and speed/agility fundamentals. Experience playing organized football is not a requirement for attendance of this camp.

All Campers are grouped by **age level and ability**. We strive to give our younger campers a solid well-rounded curriculum that allows opportunities for participation with a variety of positions and skills. We try to take our older and more experienced athletes to the "next level." Emphasis with these campers is placed on teaching those extra little things that will give them the edge. Particular attention is given toward increasing the self-esteem and psychological development of each camper. Our goal is for each camper to have a safe and positive experience. We stress individual attention, improving skill level, and having an enjoyable time!

The camp includes 5 practice sessions of instruction on football skills, cardiovascular activity, and team building concepts. A flag football tournament will be held on Friday. The camp will be instructed by the Poway Football coaches and players.
